

LEAN-UP WORK GOES STEADILY FORWARD

Teacher, Laundry, Druggist and Other Varieties in List of Law Violators.

UTHSIDE POLICE INACTIVE

Reports Made for Throwing Trash into Streets in That Section of City—More Than Fifty People Pay Fines in Police Court.

The police are no respecters of persons or firms when it comes to enforcing the new "clean-up" ordinance. Reports made by the officers appointed to see to the enforcement of these ordinances show that the city has twice been reported. Last night the blotters of the various police stations showed that, among a list of persons and establishments reported for alleged violations of the ordinance, were preachers, laundries, druggists, furniture dealers, real estate men and any number in other lines of business, as well as several individuals.

Rev. J. J. Wicker, 2013 Jefferson avenue, was the minister reported on blotters of the First Police Station for failure to clear away deposits of sh-paper and ashes in the vicinity of his residence. Other unlooked-for stations were discovered in the homes of the Royal Laundry, 209 North 10th Street, and the Spoolless Company, 1209 East Cary Street, each charged with similar offenses.

TO STATIONS KEEP UP THE GOOD WORK

The following were reported at the Second Police Station: Dick Martin, 1 North Harrison Street; Bellevue, 1211 West Broad Street; H. M. Saw, 1400 1/2 West Broad Street; W. Rose, 1400 West Broad Street; J. Collins, 1500 West Broad Street; Hatcher Drug Company, Broad and Laurel Streets; T. J. Blackburn, 549 20th Avenue; E. H. Palmer, 701 West 17th Street; and George Gilpin, 1121 East Cary Street. They were charged with violating the street-cleaning ordinance.

BLICE OF SOUTHSIDE HAVE NO KEEN EYES FOR TRASH

There were no reports made at the Third Police Station last night. C. C. Miller, 312 East Cary Street; W. T. Terry, 302 North Ninth Street; and yesterday reported for feeding pigs in the alley beside his place. They were also charged with obstructing the alley with transfer wagons. In the Police Court yesterday morning Justice Crutchfield fined more than 20 individuals and firms \$1 each for alleged violations of the street-cleaning ordinance. The lines were paid without a murmur, several of those summoned to court simply sent the money by a representative and did not appear in person.

CREDIT MEN TO MEET

Will Hear Addresses by Prominent Officers of National Organization. President E. B. Hinkle, of the Richmond Association of Credit Men, yesterday issued a call for a special meeting of that body to be held at 6:30 o'clock Friday evening at the Business Men's Club, for the purpose of hearing addresses by prominent officers of the national organization.

WILL AID RED CROSS

Both of the theatrical stock companies playing in Richmond this winter have announced plans to aid the Virginia Anti-Tuberculosis Association in their efforts to sell Red Cross stamps. Miss Grace Scott will offer a unique and attractive addition to her program on Tuesday, December 15, when, between the acts, tickets will be stamped with the seal and the Red Cross seal will also seal at Grant's drug store, on Broad Street. The Virginia Anti-Tuberculosis Association now has a window exhibit on view at Grant's, and Miss Scott and other well-known women will be on hand to sell stamps.

OFFICERS ELECTED

Academy of Medicine and Surgery Holds Annual Meeting. New officers were elected last night at the annual meeting of the Richmond Academy of Medicine and Surgery, held at the Chamber of Commerce Building. The following doctors were elected officers: President, A. G. Brown; first vice-president, W. H. Parker; second vice-president, Virginia Harrison; third vice-president, J. P. Bright; secretary, Mark W. Peay; treasurer, J. H. Smith; librarian, J. P. LaRoque.

ASKS CAR COMPANY TO MAKE TICKETS INTERCHANGEABLE

Administrative Board Also Petitions for Free Use by Pedestrians of All Three Viaducts. The Administrative Board yesterday addressed a communication to President Wheelwright, of the Virginia Railway and Power Company, requesting that his company and the company now in control of the former Richmond and Henrico Railway, interchange the tickets issued by the two lines, and accept them for transportation on either or both of the systems. The request is grounded in the understanding that the Virginia Railway and Power Company is in complete control of the former Richmond and Henrico Railway. Although the last-named road was recently transferred to the Richmond Railway and Power Company, the interchange of tickets is a matter of convenience for the passengers of the two lines. The board also adopted a resolution requesting the Virginia Railway and Power Company to open for free passage to the public the First, Fifth and Marshall Street viaducts. It is assumed that the company controls the passage to the public because in its petition for blanket franchise it offers to arrange for the dedication of this bridge to the city.

WHAT DYSPEPTICS SHOULD EAT

A PHYSICIAN'S ADVICE. "Indigestion and practically all forms of stomach trouble are, nine times out of ten, due to acidity. Therefore, stomach sufferers should, whenever possible, avoid eating food that is acid in its nature, or which by chemical action in the stomach develops acidity. Unfortunately, such a rule eliminates most foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspeptics and stomach sufferers are usually so thin, emaciated and lacking in that well fed body which only comes from those who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are kept on a miserable existence on gluten products. I would suggest that you should try a meal consisting of foods which you may like, in moderate amount, taking immediately afterwards a teaspoonful of bisurated magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the present stinging of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisurated magnesia is doubtless the best food corrective and an acid known. It has no direct action on the stomach, but by neutralizing the acidity of the food contents, and thus removing the source of the acid irritation which inflames the delicate stomach lining, does more than could possibly be done by any drug or medicine. As a physician, I believe in the use of medicine whenever necessary, but I must admit that I cannot see the sense of dosing an inflamed and irritated stomach with drugs, when all that you want is your next meal, and getting rid of the acid—the cause of all the trouble. Get a little bisurated magnesia from your druggist, eat what you want at your next meal, and some of the bisurated magnesia as directed above, and see if I'm not right."

M. M. GILLIAM HURT

Run Over by Buggy at First and Broad Streets.

Ambulance Surgeon Stern was yesterday called to First and Broad Streets to attend M. M. Gilliam, who lives on Seminary Avenue in Ginter Park, who said to have been driven by Miss Gracie Jones, of Lakeside. Mr. Gilliam is a brother-in-law of Dr. M. D. Hoge, and was taken to his office for further treatment at his own request. He was bruised and cut about the face and hip. Dr. Stern also attended J. W. East, Twenty-sixth and Venable Streets, who fell from an Oakwood and Main car at Eighth and Main Streets last night and suffered a scalp wound. He was taken to Grace Hospital, but was not injured to any extent.

Reports Silverware Stolen. Daniel Whitlock, 2207 Monument Avenue, yesterday reported to the police the theft of \$167.75 worth of silverware.

According to one member of the board, Virginia Railway and Power Company inspectors have already taken over the supervision of the Richmond and Henrico lines, and are seen at work daily on this system. If the two systems are in reality under one control there is no good reason, the board holds, for diverse ticket systems and the inconvenience of the present arrangement holds for persons who have occasion to use both lines.

The board adopted also a companion resolution requesting the Virginia Railway and Power Company to open for free passage to the public the First, Fifth and Marshall Street viaducts. It is assumed that the company controls the passage to the public because in its petition for blanket franchise it offers to arrange for the dedication of this bridge to the city.

SUPPLIES BEING GATHERED AT NORFOLK WAREHOUSE

Virginia Vessel for Relief of Belgian Sufferers to Sail on December 20.

BOYKIN REDOUBLES EFFORT

Still an Insufficient Cargo to Load Steamship Lynorta, and Communities Which Have Not Acted Are Urged to Do So Promptly.

Shipments of supplies to the warehouse in Norfolk are now being made, said Colonel H. M. Boykin, chairman of the State Belgian Relief Commission, yesterday, and he stated that he was gratified at the response being made. There is, however, still an insufficient supply, and it is urged that other subscriptions be made before the Lynorta sails for Belgium on December 20.

In addition to the liberal aid already given by the good people of Louisiana, a number of women there have arranged for a tag day to be held next Monday, and asked Colonel Boykin to send them the necessary badges. The badges will be shipped to Louisiana this morning.

Extraordinary efforts are now being made by the district chairmen to increase the cash fund and the supply of provisions, and the members of the State commission fervently hope that a sufficient quantity of foodstuffs may be obtained to complete the Virginia cargo.

Cash contributions received yesterday by Colonel Boykin are as follows: Pulaski County, \$400; Woman's Club, Ginter Park, \$70; Free Lance Star, Fredericksburg, \$50; Students of Woman's College, city, \$50; Shenandoah County, \$50; H. O. Baskerville, city, Citizens, Wyandale, \$23.50; Mocklenburg citizens, \$15; George B. Thompson, Lovingsburg, \$15; T. City, \$10; W. S. T. City, \$10; W. C. Foster, Bay View, \$5; S.
